Dinner	\$ 30

We will be playing “scramble.” Each player will hit a tee shot. The team will then decide which ball is in the best position for the second shot. After this decision has been reached, ALL players will place their ball at that position and hit their second shot. This is continued until the ball is holed. Once the ball is holed that score must count!

Note: Each person’s tee shot must be used as the best ball at least **twice** during the round.
